

Diabetic Foot Screening Test (LEAP) Lower Extremity Amputation Prevention Program

LEAP Program

A patient who can feel the filament in the selected sites should not develop foot ulcers frequently connected with Diabetes. This foot test will help you to know if you may be at risk of developing foot ulcers which can lead to amputation.

For another copy of this brochure and the filament, call 1-888-ASK-HRSA (1-888-275-4772) or contact our web site at <http://www.bphc.hrsa.gov/leap>.

For general information on diabetes, call the American Diabetes Association at 1-800-Diabetes (342-2383) or contact our web site at <http://www.diabetes.org>.

For general foot care information call the American Podiatric Medical Association at 1-800-FootCare (366-8227), or contact our web site at <http://www.apma.org>.
